Hi Eliakim

My name is Saxen from the LinkedIn Talent solutions team. I understand you are seeking a collaboration with LinkedIn learning. When you state collaboration are you looking to publish courses on LinkedIn learning?

4:27 AM

No please.

4:28 AM

Many aspiring professionals and students in our region seek to enhance their skills for the global job market but often struggle to find and navigate the most relevant and high-quality online courses. eL academi, my new online learning platform, bridges this gap by meticulously curating, reviewing, and categorizing courses from leading global providers, including LinkedIn Learning, presenting them in an accessible and intuitive manner. Our local presence and student-centric approach offer an authentic conduit to this dynamic market.

4:29 AM

Ok. To confirm you would like to make the LinkedIn learning content available on your learning platform, correct?

4:31 AM

Yes please.

4:31 AM

Ok. Unfortunately, I am unsure who can help with this. I will need to check with our internal team to confirm who can help. So once I get any updates I will share them with you via the email eliwedamk@gmail.com.

4:33 AM

I seek to make your courses available on my platform, meticulously curated, reviewed and categorized alongside other relating courses possibly from other platforms of equal reputation as yours.  
All links shall lead to your platform and all credit would be given to your platform. No claim of ownership or otherwise shall be made by eL academi.

4:35 AM

Understood. Let me get this checked internally with the team and I will share any information I get.

4:36 AM

Thank you for your assistance so far.  
I contacted today seeking the appropriate channel to make a formal request regarding content collation and course redirection.  
I'd like to send an official email outlining the vision and scope of the eL academi platform.  
I would be very grateful if you could provide the correct email address or team contact for this purpose.

Looking forward to your guidance.

4:36 AM

Also, I'd be grateful if I could have your direct contact or team email, so I can follow up respectfully after your internal consultation.  
This will help me stay aligned with any guidelines or directions you may provide later.

4:37 AM

Thank you, Saxen.  
It's truly been a pleasure.  
I look forward to hearing back after your  
internal consultations.  
Wishing you a great day ahead!
